1R Astoria NY 11106

This 2 bedroom newly renovated luxury apartment is located in one of NYC's most sought after neighborhoods near transportation and everything you need. The Kitchen features Gray Quartz counters and backsplash with room for seating and modern recessed lighting. To assist in preparing your sumptuous meals there is a full suite of Stainless Steel appliances including a dishwasher and microwave. The Kitchen flows into an open living area with split unit AC and is designed and wired for your entertainment and lounging. The bathroom is adorned with contemporary fixtures and dark vanity that pops against the light, floor to ceiling tile. There is a roomy shower framed by a Custom Glass Enclosure. The bedrooms continue the theme with bleached oak flooring and all are climate controlled with split unit cooling and heating. There is a double closet in each bedroom for your clothing and gear and baseboard heat provided by the landlord to keep you warm when needed. All rooms have multiple, double paned energy efficient windows to keep climate and utility bills under control. Heat and hot water included with baseboard heating throughout the entire space. Location is excellent with the unit located just a 5 minute walk to either the M/R or N/W lines and all manner of shopping and trendy entertainment and dining ju...
