

2 Br Garden Coop in Bayside near Alley Pond Park

74-65 220th St UPPER Bayside NY 11364

Great 2Br for quick sale in the Windsor Oaks complex! Hardwood floors throughout the home and located on a quiet block with lots of yard space out front. The motivated sellers are leaving the unit unrenovated to allow buyers creative freedom. Don't like some of the cheap remodels done in similar units? Purchase this second floor with its own private entrance, and upgrade and design your own space. Price reflects as-is condition. The stairs provide some storage space for shoes. The second floor units also have a pull down ladder to access the attic space for lots of extra storage! This line living room is extra spacious and allows for a nice amount of furniture to fit. The large bedroom has big closets and gets very nice sun. The smaller bedroom was used by a teenager and had ample space. Because the unit owner had the unit for many years, even though it's a 2 bedroom, the maintenance is only \$598 per month and has parking stickers for the complex unit. Very short walk to Alley Pond Park, playgrounds and grills! Windsor Oaks is known for the utmost care they put into their landscaped gardens, and the spacious units in the coop. All offers welcome!
