

Charming and spacious 1-Bedroom at coveted Powerhouse C...

2-17 51st Avenue 719 Long Island City NY 11101

At the highly sought luxurious Powerhouse complex, unit 719 is a wonderfully charming apartment that boasts 880 sq.ft. in a great layout that encompasses oversized windows and tall ceilings. The apt features a beautiful, open chef's kitchen, complete with stainless steel appliances and modern top-of-the-line finishes. The airy bedroom is incredibly spacious and the Italian tiled bathroom has a deep soaking tub with a rainfall shower head. □ American walnut floors throughout. The generous closet space in the both the bedroom and living room take care of all your storage needs while provision of an 'in-unit' washer/dryer add convenience and comfort. Complimentary wifi. THE BUILDING: The Powerhouse, designed by world-renowned architect, Karl Fisher and distinguished interior designer, Andres Escobar, breathes new life into a turn-of-the-century Pennsylvanian Railroad power station. Transformed into upscale residences on the East River, The Powerhouse offers its occupants a refined lifestyle while adding pure enjoyment from its ideal location. Nearby are Gantry State Plaza Park and Hunters Point South waterside recreational grounds. Amenities include 24/7 concierge, live in superintendent and a state-of-the-art fitness center. The Aqua Grotto provides a full-service spa featuring a social sa...
