

Crescent Iron House | Unit 2H | Studio | Private Terrac...

2H Long Island City NY 11101

Available Now! No Broker Fee. Crescent Iron House is designed for living, superbly crafted with the most-wanted finishes and premium detailing. This appealing 33-unit luxury rental building thoroughly blends contemporary styling with exceptional comfort. Well situated in heart of Long Island City, you'll be at the center of a dynamic neighborhood where possibilities are always unfolding. Comfortably sized studio to two bedroom apartments are smartly constructed. Standout features include gray stained wide plank oak flooring and versatile layouts with an easy flow. The appealing kitchens express a well-defined approach to form and function, highlighted by black granite countertops and a subway tile backsplash, with Blomberg appliances. Pamper yourself in the chic bathrooms, which feature best-in-class Hansgrohe fixtures, subway tiling and charcoal gray stone porcelain flooring. Outstanding amenities enhance everyday living. Enjoy your downtime on the rooftop terrace with those gloriously sweeping 360 views of New York City or relax in the courtyard. Additional amenities include storage space and parking, always a sought...
