

74-02 43rd Ave, 4L (First Newtown Coop)

4L Elmhurst NY 11373

Sublime and serene alcove studio nestled in a quiet and residential section in Elmhurst, Queens. This apartment was completely renovated with a contemporary design aesthetic and full attention to detail and space. The chef's kitchen is wrapped around with Porcelanosa countertops that extend out to create a spacious area perfect for cooking and entertaining. The kitchen comes equipped with a Fisher & Paykel refrigerator and stainless-steel kitchen appliances enveloped with a custom-built pantry and cabinetry. The living room contains a custom-built wall that houses your entertainment system with ample shelving for additional storage and cable connections. This wall also creates a separate windowed sleeping alcove large enough for a queen-sized bed and contains an office nook ideal for working at home. The bathroom is retrofitted with a Duravit ceramic washbasin, stand-in shower, marble floors, and wall-to-wall mirror. The apartment bathes in recessed lights and installed with hardwood floors throughout the apartment, except the kitchen. Built-in surround-sound speakers and thoughtfully designed closets round up the look. First Newtown is a Coop with a garage (waitlist), storage lockers, laundry room, intercom, elevator, full-time super, and sublet friendly. Pieds-a-...
