4112 Long Island City NY 11101

Welcome to Skyline Tower, the tallest condominium building in Queens. Rising 67 stories, this gleaming glass tower offers a one of a kind, 360-degree panoramic view of New York City. Sitting in the heart of Long Island City, residents at Skyline Tower will enjoy a peaceful and tranquil urban life in the burgeoning neighborhood, while still being minutes away from bustling Manhattan through easy access to eight subway lines, three ferry lines, and multiple bus routes that will make commuting faster than ever. The high floor direct west facing two bedroom is an impressive residence with a jaw-dropping view of the Manhattan skyline. It features distinctive European white oak engineered wood flooring throughout and a side by side bedroom layout; the spacious master bedroom has a walk-in closet. The contemporary, beautifully designed island kitchen is ideal for entertaining. Its composed with cabinetry finished with sand ash veneer and extreme matte laminate, a Viatra quartz slab countertop and backsplash, top-of-the-line Bosch appliance package that includes an outside venting range hood, and Monogram microwave. Your spa-inspired master bathroom is a luxurious private enclave lined in porcelain tile. Sophisticated finishes include sand ash veneer and a white quartz vanity, enhanced by a f...
