

110 East 36th Street

6D Murray Hill Kips Bay NY 10016

This NO FEE sun-drenched, south facing apartment in mint condition is a MUST SEE! Welcome to 110 East 36th Street, 6D located right off of Park Avenue in the Murray Hill neighborhood of Manhattan. Upon entering the foyer of this alcove studio, you will be greeted by an airy, open living space with room for a dining area that extends to a separate, large sleeping alcove with a sliding privacy wall that accommodates a queen size bed, nightstand and tall dresser. Hardwood flooring and recessed lighting throughout unit with ample closet space (3 closets), plus a separate remodeled pass-through kitchen with granite counters and stainless steel appliances with dishwasher. This well-managed, post-war, elevator cooperative building built in 1958 and designed by architect Hyman Isaac Feldman consists of 61 units and 12 stories, live-in superintendent, common laundry facility. Escape from the hustle and bustle of the city life by stepping into the peace and serenity of the common garden area exclusive to residents of the building. Murray Hill is convenient for getting around Manhattan with just a short walk to the subway. Explore the architectural highlights and attractions such as Grand Central Station and the Chrysler Building while enjoying a great selection of local restaurants in the ...
