11B Long Island City New York 11101

**\*\*3 Free Months & No Broker Fee\*\*** This luxury rental rises 15 stories at 41-32 27th Street. The building is an exciting blend of design and modern comfort in the heart of Long Island City. A combination of exceptional taste and contemporary styling, the Steel Haus sets the bar high with distinctive interiors and amazing amenities. The 46-unit building will pamper, entertain and graciously satisfy your needs — surrounded by the vibrant LIC vibe. Finely crafted with premium finishes and detailing, the well-sized studio to two bedroom apartments are smartly composed. Standout features include engineered hardwood floors and brick walls in select units. The appealing kitchens are boldly contemporary with satin finish navy blue lacquer cabinetry enhanced with Caesar-stone countertops, marble backsplash, champagne bronze hardware and stain-less steel appliances. Built-in wine racks in every kitchen complete the culinary experience. The stylish bathrooms feature high-end fixtures and glass shower doors. All units are equipped with washer/dryers for your convenience. Amenities infuse everyday living with the extraordinary. Relax on the rooftop terrace with a private dining area, punctuated by those sweeping views of New York City. Or kick back and socialize with fell...
