

Sunny East Exposure with Outdoor Space!

35th Avenue 9B Flushing NY 11354

The Farrington is located at 134-37 35th Avenue, one block north of Northern Boulevard, and is in the center of Flushing's thriving and evolving community. Stylishly designed by architect Raymond Chan, the building evokes awe, as it features stunning glass contrasted exterior and stands out at the heart of this revitalized sector of Queens. Rising above the Sheraton Four Points Hotel, The Farrington residences are from the 8th floor to the 15th floor consisting of 100 homes. These modern selections of one and two-bedroom apartments all offer well-configured layouts and private outdoor spaces ranging from charming balconies to large private terraces. The floor-to-ceiling oversized windows are lightly tinted, double-paned and welcome natural light into every room. Tastefully selected finishes include Barcelona Oak engineered wood flooring, quartz kitchen countertops with matching backsplashes, and an illuminating medicine cabinet while adding more luxury with its heated porcelain tile floors in the bathrooms. Top of the line appliances including Bertazzoni gas range, Bosch custom panel fridge, dishwasher, and washer/dryer. There is a built-in external ventilation system through a high powered range hood by Bertazzoni for the ultimate cooking experience. Building amenities off...
